#### Independent Study

An estimated additional 2 hours of independent study is required between Day 1 and 2.

An estimated additional 12 hours of independent study is required after the course.

#### Assessment

Assessment is through submission of a portfolio of evidence consisting of a series of workbooks and assignments; the latter being employment based. The workbook is submitted for marking and moderation and, if successful, the candidate is awarded with a Level 4 certificate in CIP by Highfield Awarding Body for Compliance. This course is broadly comparable to the level of study required for Level 4 NVQ / SVQ.

#### Course Feedback

*"The whole 2 days from start to finish was excellent; all my expectations were not just met they were exceeded. The presentations & materials used for training the trainees was just right; the balance of class work versus hands on was perfect. No PowerPoint overload."*

*"Great course with good relevance to my place of work. Works well with the 4 different presenters. Lots to get through but enjoyable and informative."*
