# Trading Terms & Conditions

All goods are supplied to you (The Purchaser) on the following terms and no person in our employment or acting or purporting to act as our agent has any authority to supply or accept orders for goods on any other terms or to vary them in any way whatsoever. Acceptance of goods by the purchaser shall be conclusive proof before any court that these terms apply to that contract for sale of goods.

All equipment will be supplied in accordance with each individual manufacturer's warranty and any claims will be strictly carried out with this warranty.

We will endeavour to advise suitability of chemicals and equipment for each individual customer's needs, but it is the sole responsibility of the customer, prior to ordering, to evaluate its suitability.

Prices are strictly net and payment is due within 30 days of the invoice date. All prices and delivery charges shall be those ruling at date of dispatch unless otherwise agreed and shall be subject to alteration without notice, although we will give reasonable notice of alterations wherever possible.

Unless otherwise arranged, delivery will be made by the method we consider most suitable and if delays in delivery are due to factors out of our control we shall be allowed reasonable extension time. If consignments are delivered damaged or with part contents missing they must be signed for accordingly and notification sent in writing to us within 5 days of delivery.

Specifications may be changed by the manufacturer without notice to improve products or because of unavailability of original parts or materials, but we will ensure that the products remain suitable in our opinion for the purpose for which they were originally designed.

All goods which are subject of any agreement for sale by us to the purchaser shall be at risk of the purchaser as soon as they are delivered to his premises or otherwise to his order, but all such goods shall remain our sole and absolute property as legal and equitable owner until such time as the purchaser shall have paid to the company the invoice price. Until such time as the property in the goods referred passes to the purchaser, the purchaser acknowledges that he is in possession of such goods solely as bailee for us and that he will store them at his premises separate from other goods and that we may enter upon any part of the purchaser's premises with such transport as may be necessary and re-possess the same.

The terms and conditions are governed by English law.

# Responsible Care

Product stewardship is a product centered approach to environmental protection. Product stewardship recognises that product manufacturers must take on new responsibilities to reduce the environmental footprint of their products.

However, real change cannot always be achieved by producers acting alone: retailers, consumers, and the existing waste management infrastructure need to help to provide the most workable and cost effective solutions. Solutions and roles will vary from one product system to another.

Our environmental management system ISO 14001 ensures we provide cleaning and disinfection solutions that meet the highest standards of performance and environmental sustainability.

- We are committed to providing products with low heavy metal content; for example Mercury in caustic products.
- We are committed to the removal of components that do not contribute to the product performance. For example; we have removed solvents from a large number of product formulations.
- We are committed to minimising our environmental impact and that of our customers:
  - By evaluation of the impact of raw materials and how these contribute in a final product formulation.
  - By optimising customers cleaning methodology to give lowest impact.
  - By the reuse or recycling of packaging material wherever possible.
  - By the supply, wherever possible, of concentrated rather than ready to use products.

## Cost comparison of ready to use versus concentrates

Where possible across the Foodservice & Hospitality range Holchem supply concentrated products; this has environmental and cost-in-use benefits. As an example, a typical ready to use hard surface cleaner costs approximately £1.19 per 750ml trigger bottle. A refillable 750ml trigger bottle with a made up solution of a hard surface cleaner costs from as little as 8p per bottle.

This equates to a 95% in-use cost saving.

# Cleaning Is Not Enough

“Documented systems are essential for effective hygiene.”

The food hygiene regulations 2006 introduced legislation on the need for all food businesses to operate a documented food safety management system in line with the principles of HACCP (hazard analysis, critical control point).

An essential element of this system is cleaning documentation. Enshrined within this legislation is the need for all food premises to be maintained in a clean condition and activities related to the maintenance of safe food production to be recorded..

If the disinfection part of a cleaning process is to be effective, it is vital that the surface to be disinfected is free of food soil or chemical residues.

See below table for a summary of industry standards for disinfectant products. It is important that you choose the correct disinfectant for an effective clean.

EN Test	Description
EN1276	Quantitative suspension test for bacteria
EN13697	Quantitative non-porous surface test for bacteria and/or fungi
EN1650	Quantitative suspension test for fungicidal activity
EN14476	Suspension test for virucidal activity
EN1500	Hygienic hand rub test
EN1499	Hygienic hand wash test

## Products

Holchem Optimum products meet the highest standards of performance, environmental sustainability and cost-in-use with simple to understand names and packaging. Our chemical dilution and application equipment is simple to use and gives accurate and consistent operation and control.

## Hygiene & Safety Awareness

The Optimum Wallcharts and various supporting signage give a quick visual guide to equipment and surfaces that need cleaning. Providing all the relevant MSDS's to ensure your business is safe and compliant with today's ever demanding safety standards.

## Service Support

Holchem's support team of Technical Sales Consultants and Customer Support Advisors provide consultative advice for all cleaning and hygiene aspects of your business including:

- Best practice
- Product selection
- Preventative maintenance

# Dishwashing

## Dishwash Special

- Premium detergent for automatic dishwashing
- Suitable for use in extreme hard water areas
- Suitable for cleaning crockery, cutlery, glassware and plastics

**OPTK60** 2 x 5 litres  
10 litres

## Machine Dishwash

- Dishwash detergent for automatic dishwashing
- Suitable for use in all water areas
- Suitable for cleaning crockery, cutlery, glassware and plastics

**OPTK6** 2 x 5 litres  
10 litres  
20 litres

## Destain Dishwash

- Premium detergent for automatic dishwashing
- Chlorinated formulation
- Excellent removal of protein and tannin deposits

**OPTK7** 2 x 5 litres  
10 litres  
20 litres

## Utensil Dishwash

- Dishwash detergent for automatic dishwashing
- Aluminium safe
- Ideal for non - corrosive cleaning of aluminium pots, pans & utensils

**OPTK28** 10 litres

## Rinse Aid - Acidic

- Rinse additive for automatic dishwashing
- Suitable for use in medium and hard water areas
- Reduces drying time and leaves a spot free finish

**OPTK38** 2 x 5 litres  
10 litres  
20 litres

## Rinse Aid - Universal

- Rinse additive for automatic dishwashing
- Suitable for use in all water areas
- Reduces drying time and leaves a spot free finish

**OPTK8** 2 x 5 litres  
10 litres  
20 litres

## Holistic Green Washing Up Liquid

- Eco Label accredited / Licence No: UK/019/015
- One 2x5 Litre pack will provide over 1300 in use solutions in a typical 15 litre sink
- Suitable for manual cleaning utensils, crockery and cutlery

**HG001** 2x5 litres  
6x1 litres

## Premium Washing Up Liquid

- Concentrated premium detergent
- Excellent grease cutting properties
- Suitable for manual cleaning utensils crockery and cutlery

**OPTK25** 2 x 5 litres

## Washing Up Liquid

- Concentrated neutral detergent
- Suitable for use on stubborn stains.
- Suitable for manual cleaning

**OPTK5** 2 x 5 litres

## Bacti Blue

- Concentrated detergent disinfectant
- Suitable for cleaning utensils, crockery and cutlery
- Complies with EN1276 and EN13697 when used as directed

**OPTK31** 2 x 5 litres

# Bar & Cellar

## Beerline Cleaner

- For cleaning beerlines
- Also suitable for pumps and dispensing equipment
- Premium formulation for the removal of yeasts and proteins

**OPTB1 2 x 5 litres**

## Purple Beerline Cleaner

- For cleaning beerlines
- Contains a colour indicator for ease of use
- Premium formulation for the removal of yeasts and proteins

**OPTB6 2 x 5 litres**

## Universal Rinse Aid

- Designed for dedicated glass wash machines
- Suitable for use in all water areas
- Reduces drying time and leaves a spot free finish

**OPTK8 2 x 5 litres**

## Machine Glasswash Detergent

- Designed for dedicated glass wash machines
- Suitable for use in all water areas
- To be used in conjunction with Universal Rinse Aid

**OPTB2 2 x 5 litres**

## Glass Renovator

- Designed to regenerate the "sparkle" of glasses after repeated wash cycles
- Can be used as additive to glasswash machine
- Can be used as a soak solution

**OPTK24 4KG**

## Coffee Line Cleaner

- Concentrated Chlor-Alkalkaline detergent
- Formulated for the removal of stains including tea, coffee, milk and other deposits from coffee machines
- Supplied in an easy dose bottle

**OPTA23 6 X 1 litres**

# Kitchen Hygiene

## Ultra Concentrate Multi-Purpose Cleaner

- For cleaning of hard surfaces and equipment
- Ultra concentrate formulation provides excellent in-use costs
- Designed to be used via controlled dispenser

**OPTU1** 2 x 2 litres  
**OPTE 234** Trigger

## Ultra Concentrate Fast Acting Disinfectant

- QAC based disinfectant for cleaning
- Ultra concentrate formulation provides excellent in-use costs
- Conforms to EN1276 protocol test in 30 seconds. Passes EN13697 and EN1650.

**OPTU2** 2 x 2 litres  
**OPTE 235** Trigger

## Ultra Concentrate Heavy Duty Cleaner

- For cleaning and degreasing heavily soiled areas and floors
- Ultra concentrate formulation, excellent in-use costs
- Designed to be used via controlled dispenser

**OPTU3** 2 x 2 litres  
**OPTE 265** Trigger

## Multi Purpose Cleaner

- General cleaner for hard surfaces and equipment
- Concentrated formulation
- Cost effective in-use

**OPTK1** 2 x 5 litres

## Sanitiser

- QAC based disinfectant for cleaning and disinfecting
- Concentrated formulation
- Complies with EN1276, EN13697 and EN1650 when used as directed

**OPTK2** 2 x 5 litres

## Heavy Duty Cleaner

- For cleaning and degreasing heavily soiled areas and kitchen floors
- Concentrated formulation
- Cost effective in-use

**OPTK3** 2 x 5 litres

## Holistic Green All Purpose Cleaner

- Eco Label accredited / Licence No: UK/020/030
- Designed for cleaning of hard surfaces and equipment
- One 2 x 5 litre pack of concentrate will provide 666 in use trigger bottle refills

**HG002** 2 x 5 litres  
**Dispenser Pack** HG002/D

## Holistic Green Degreaser

- Eco Label accredited / Licence No: UK/020/030
- Suitable for cleaning all hard surfaces and floors.
- Removes fats, oils, grease and difficult soiling.
- One 2 x 5 litre pack of concentrate will provide 666 in use trigger bottle refills

**HG003** 2 x 5 litres  
**Dispenser Pack** HG003/D

## Floor Cleaner & Degreaser

- Suitable for cleaning all types of heavy soiling on floors
- Contains "Anti-redeposition" technology
- Cost effective in-use

**OPTF11** 2 x 5 litres  
20 litres

## Bio Floor Cleaner

- Biological floor cleaner used to digest grease and dirt
- Non rinse formulation
- Contains non slip technology

**OPTK34 2x5 Litres**

## Heavy Duty Cleaner RTU

- Ready to use formulation
- Contains degreasing properties designed to cut through grease and carbonised build up
- Handy 1Litre trigger pack

**OPTK3 6 x 1 litres**

## Oven Mousse

- Foaming heavy duty oven cleaner
- Its long contact time allows good grease and carbon removal
- Designed to be used on touch warm surfaces

**OPTK21 6 x 1 litres**

## Oven Cleaner

- Heavy duty oven cleaner
- Gel formulation
- Apply directly via powerwand spray

**OPTK15 2x5 Litres**

## Hot Griddle Cleaner

- Fast acting formula
- Removes grease and grime from grills, griddles, oven tops and ceramic hobs
- Apply directly to hot surfaces up to 175c

**OPTK40 6 x 1 litres**

## Self-Cleaning Oven Detergent

- For use in automatic systems
- Cleans and degreases stubborn baked on soils
- Suitable for all self-cleaning ovens

**OPTK37 2 x 5 litres  
10 litres**

## Degreasing Powder

- Degreasing powder
- Effective on a wide range of soils
- Suitable for equipment, fryers & floors

**OPTK14 10 kg**

## Destaining Powder

- Destaining powder
- Oxygen based
- For the removal of tea & coffee stains

**OPTK12 10 kg**

## Scale Away

- Concentrated acidic scale remover
- For use in dishwashers, urns and equipment
- Heavy duty formulation

**OPTK13 2 x 5 litres**

## Appliance Descaler

- Concentrated appliance descaler
- Removes scale build up in kettles, taps and showerheads
- Citric Acid based formulation

**OPTK39 4 x 1 litres**

## Bio Drain Cleaner

- Biological drain cleaning liquid
- Digests fats and oils to keep drains flowing and odour free
- Designed to be auto dispensed

**OPTK18 10 litres**

## Soluzyme Bio Drain Powder

- Biological drain cleaning powder
- Breaks down organic materials and prevents blockages
- Supplied in a dissolving 250g pouch

**OPTK32 10kg**

## QFD60

- Ready to use disinfectant
- Fast acting QAC Free formulation
- Complies with EN1276 and EN13697 in 30 seconds when used as directed. Effective against enveloped viruses

**OPTK44 6 x 1 litres**

# Speciality

## Chlorine Release Tablets - Holtabs

- Concentrated Chlorine release tablet
- Effervescent and fast dissolving creating a powerful disinfectant solution
- Effective against a wide spectrum of micro-organisms including bacteria, viruses, yeasts and moulds

**OPTK16 200 tablets**

## Klor Release Powder

- Ready to use Chlorine release powder
- Suitable for cleaning /destaining crockery
- Effective at removing malodours from drains and sinks

**OPTK9 6x500g**

## Spray & Wipe with Bleach

- Ready to use formulation
- Effective at removing tough stains including mould tea and coffee from hard surfaces
- Cost effective in-use

**OPTK41 6x1 litres**

## Legend Sterilising Fluid

- Concentrated bleach based disinfectant
- Suitable for use on most hard surfaces
- Effective against a wide spectrum of micro-organisms including bacteria, viruses, yeasts and moulds

**LEGM-AS0140-2N**

## Bleach

- Concentrated bleach based disinfectant
- Suitable for use on most hard surfaces
- Effective against a wide spectrum of micro-organisms including bacteria, viruses, yeasts and moulds

**OPTF9 4x5 litres**

## Thick Bleach

- Concentrated bleach based disinfectant
- Suitable for use on most hard surfaces
- Effective against a wide spectrum of micro-organisms including bacteria, viruses, yeasts and moulds

**OPTF10 4x5 litres**

## Coffee Line Cleaner

- Concentrated Chlor-Alkalkine detergent
- Formulated for the removal of stains including tea, coffee, milk and other deposits from coffee machines
- Supplied in an easy dose bottle

**OPTA26 4x1 litres**

## Stainless Steel Polish

- Ready to use formulation
- Leaves a shiny and streak free finish
- Use on non-food contact surfaces

**OPTK10 6x750ml**

## Label Adhesive & Mark Remover

- Ready to use formulation
- Solvent based product
- Designed for the removal of non-water soluble labels and adhesives

**OPTA14 6x750ml**

## Probe Wipes

- Impregnated wet wipes for disinfection of temperature probes

**OPTK22 6x150 tub**

## Virucidal Disinfectant RTU

- Ready to use formulation
- Suitable for use on most hard surfaces
- Effective against a wide spectrum of micro-organisms including bacteria, viruses, yeasts and moulds

**OPTA23 6x1 Litres**

## Anti-Viral Cleaner and Disinfectant Concentrate

- Concentrated formulation
- Effective against enveloped viruses
- Independently tested to EN1276, EN1650, EN13697 and EN14476

**OPTA28 2x5 Litres**

## Anti-Viral Cleaner and Disinfectant RTU

- Ready to use formulation
- Effective against enveloped viruses
- Independently tested to EN1276, EN1650, EN13697 and EN14476

**OPTA29 6x1 Litres**

## Legend Chewing Gum Remover

- For the removal of gum, grease and glue residues
- Safe to use on a variety of surfaces
- Contains a fresh citrus fragrance

**AC06611 12x1 Litres**

## Holistic UniBlue Disinfectant

- Ready to use Disinfectant based on organic acids
- No environmental impact
- For use on a variety of surfaces

**UDF2 2x5 Litres  
6x1 Litres**

# Wipes

## Legend Anti-Viral Wipes

- Ready to use QAC and Alcohol free disinfectant wipes
- Non absorbant lint free cloth
- Complies with EN14476

**HLL6 1000 Wipe Bucket**

## Hand and Surface Virucidal Wipes

- Ready to use QAC and Alcohol free disinfectant wipes
- Non absorbant lint free cloth
- Complies with EN14476

**HLV7 6x200 Tub**

## Graffiti Response Kit

- Handy ready to use graffiti removal kit
- Contains graffiti removers, finishing detergent and dry wipes
- Suitable for use on most graffiti types and surfaces

**BLITZ-KIT**

# Optimum Ultra Concentrate Range

Holchem's Optimum Ultra Concentrated Products have been developed to meet the highest standards and performance, environmental sustainability and cost in use for today's busy Kitchen and Housekeeping departments.

The Ultra Concentrated dispenser system ensures the products are dispensed accurately and safely for either a refillable trigger bottle or to a bucket.

- **Clear Product Names**
- **Colour Coded Products and Systems**
- **Safe and Accurate Dispensing**
- **Pictorial Wall Charts**
- **High Performance standards with excellent cost-in-use**

## Ultra Concentrated Multi-Purpose Cleaner

Designed for general cleaning of Hard Surfaces and Equipment.

Each 2 x 2 litre pack of Ultra Concentrated Multi-Purpose Cleaner will produce 400 refillable 750 ml trigger bottles.

Product Pack – 2 x 2 ltr  
750 ml Refillable Trigger Bottle

**OPTU1 / 2 x 2**  
**OPTE234**

## Ultra Concentrated Fast Acting Disinfectant

A QAC based Surface Disinfectant. The Product conforms to EN1276 protocol test in 30 seconds, also passes EN13697 and EN1650.

Each 2 x 2 litre pack of Ultra Concentrated Fast Acting Disinfectant will produce 266 refillable 750 ml Trigger Bottles.

Product Pack – 2 x 2 ltr  
750 ml Refillable Trigger Bottle

**OPTU2 / 2 x 2**  
**OPTE235**

## Ultra Concentrated Heavy Duty Cleaner

Designed for cleaning and degreasing heavily soiled areas and kitchen floors.

Each 2 x 2 litre pack of Ultra Concentrated Heavy Duty Cleaner will produce 400 refillable 750 ml Trigger Bottles and between 132 – 200 bucket solutions.

Product Pack – 2 x 2 ltr **OPTU3 / 2 x 2**  
750 ml Refillable Trigger Bottle **OPTE236**

## Ultra Concentrated Toilet Refresher

Designed for daily cleaning and refreshing of toilet bowls and urinals.

Each 2 x 2 litre pack of Ultra Concentrated Toilet Refresher will produce 100 refillable 1 Litre bottles.

Product Pack – 2 x 2 ltr **OPTU4 / 2 x 2**  
1 Litre refillable bottle **OPTE238**

## Ultra Concentrated Washroom Cleaner

Designed for use on all washroom surfaces.

Each 2 x 2 litre pack of Ultra Concentrated Washroom Cleaner will produce 400 refillable 750ml trigger bottles.

Product Pack – 2 x 2 ltr **OPTU5 / 2 x 2**  
750ml refillable trigger bottle **OPTE237**

## Ultra Concentrated Glass Cleaner

Designed for use on glass, mirrors and general interior surfaces.

Each 2 x 2 litre pack of Ultra Concentrated Glass Cleaner will produce 400 refillable 750ml trigger bottles.

Product Pack – 2 x 2 ltr **OPTU6 / 2 x 2**  
750ml refillable trigger bottle **OPTE240**

## Ultra Concentrated Air Freshener

Designed with encapsulation technology to remove odours and leave a fresh fragrance.

Each 2 x 2 litre pack of Ultra Concentrated Air Freshener will produce 400 refillable 750ml trigger bottles.

Product Pack – 2 x 2 ltr **OPTU7 / 2 x 2**  
750ml refillable trigger bottle **OPTE239**

# Housekeeping

## Ultra Concentrate Toilet Refresher

- Designed for the daily cleaning and refreshing of toilet bowls and urinals
- Ultra concentrate formulation provides excellent in-use costs
- Mild fragranced cleaner

**OPTU4 2 x 2 litres**

## Ultra Concentrate Washroom Cleaner

- Designed for use on all washroom surfaces
- Ultra concentrate formulation provides excellent in-use costs
- Fragranced washroom cleaner

**OPTU5 2 x 2 litres**

## Ultra Concentrate Glass Cleaner

- Designed for use on glass, mirrors and general interior surfaces
- Ultra concentrate formulation provides excellent in-use costs
- For best results use sparingly with a lint free cloth

**OPTU5 2 x 2 litres**

## Ultra Concentrate Air Freshener

- Designed with encapsulation technology to remove odours and leave a fresh fragrance
- Ultra concentrate formulation provides excellent in-use costs
- Fragranced air freshener

**OPTU7 2 x 2 litres**

## Toilet Cleaner Concentrate

- Used for daily cleaning of toilets
- Concentrated formulation
- Cost effective in-use

**OPTA1 2 x 5 litres**

## Washroom Cleaner & Disinfection Concentrate

- Suitable for all washroom surfaces
- Concentrated formulation
- Cost effective in-use

**OPTA2 2 x 5 litres**

## Washroom Cleaner Concentrate HW

- Suitable for all washroom surfaces
- Concentrated formulation designed for hard water areas
- Cost effective in-use technology

**OPTA19 2 x 5 litres**

## Bio Washroom Cleaner

- Biological cleaner suitable for all washroom surfaces
- Contains micro-organisms which help to break down organic stains
- Cost effective in-use

**OPTF12 2 x 5 Litres**

## Holistic Green Washroom Cleaner

- Eco Label accredited / Licence No: UK/020/030
- Suitable for cleaning all washroom surfaces
- One 2 x 5 litre pack of concentrate will provide 666 in use trigger bottle refills

**HG004 2 x 5 Litres  
Dispenser Pack: HG004/D**

## Glass Cleaner Concentrate

- Suitable for glass, mirror and damp dusting
- Concentrated formulation for a streak free finish
- For best results use sparingly with a lint free cloth

**OPTA9 2 x 5 litres**

## All Purpose Cleaner Concentrate

- Eco Label accredited / Licence No: UK/020/030
- Designed for cleaning of hard surfaces and equipment
- One 2 x 5l pack will provide 666 in use trigger bottle refills

**HG002 2 x 5 Litres  
Dispenser Pack: HG002/D**

## Holistic UniBlue Disinfectant

- Ready to use Disinfectant based on organic acids
- No environmental impact
- For use on a variety of surfaces

**UDF2 2x5 Litres  
6x1 Litres**

## Odour Neutraliser With Fragrance Concentrate

- Removes malodours and leaves a fresh floral fragrance
- Concentrated for excellent in-use costs
- Contains odour encapsulation technology

**OPTA15 2 x 5 litres**

## Odour Neutraliser Fresh Linen Fragrance Concentrate

- Removes malodours and leaves a fresh fragrance
- Concentrated for excellent in-use costs
- Contains odour encapsulation technology

**OPTA24 2 x 5 litres**

## Mould & Mildew Remover

- Ready to use formulation
- Effective at removing mould and mildew from hard surfaces
- Non bleach based technology

**OPTA17 6 x 1 litres**

## Stain Remover

- Ready to use formulation
- Specifically designed for removing stains from carpets and soft furnishings
- For best results use with white absorbent cloth

**OPTA18 6 x 1 litres**

## Holistic Green Toilet Cleaner

- Eco Label accredited / Licence No:UK/020/032
- Ready to use formulation
- Suitable for the daily cleaning of toilets and urinals

**HG005 6 x 1 litres**

## Toilet Cleaner & Descaler

- Ready to use formulation
- Suitable for cleaning and descaling toilet bowls and urinals
- Directional angled neck bottle

**OPTA4 6 x 1 Litres**

## Virucidal Disinfectant RTU

- Ready to use formulation
- Suitable for use on most hard surfaces
- Effective against a wide spectrum of micro-organisms including bacteria, viruses, yeasts and moulds

**OPTA23 6 x 1 Litres**

## Urinal Blocks

- Long lasting fragrance to tackle unpleasant odours
- Suitable for urinals and cisterns
- Aids drain maintenance

**OPTB3 3kg Bucket**

## Hair Degradar

- Ready to use enzymatic hair degrader treatment
- Breaks down hair in sinks and drains
- Reduces malodour in drains

**OPTA21 6 x 1 litres**

# Hygienic Housekeeping

**RECEPTION, PUBLIC AND BEDROOM AREAS ARE KEY CUSTOMER INTERFACES AND A HIGH LEVEL OF CLEANLINESS IS PARAMOUNT.**

## Toilet cleaning

Toilets and urinals may have scale deposits which hold onto stains. Correct cleaning methods and toilet cleaning products will help to keep toilets clean and presentable.

## Bathroom cleaning

General cleaning of sinks, walls and floors in bathroom areas should be conducted with the appropriate washroom cleaner to help create the high standards expected. When cleaning glass and hard surfaces, it is important that they are left spot and streak free.

## Air freshening

It is essential that a room looks clean and smells clean. It is therefore crucial to use the correct air control solutions for your premises.

## Klor Release Powder

- Ready to use Chlorine release powder
- Suitable for cleaning and destaining crockery
- Effective at removing malodours from drains and sinks

**OPTK9 6 x 500g**

## Washroom Cleaner RTU

- Ready to use formulation
- Suitable for use on all washroom surfaces
- Effective against bacteria, yeasts and moulds

**OPTA2 6 x 1 Litres**

## All Purpose Cleaner

- Ready to use formulation
- Suitable for cleaning a wide range of surfaces
- Excellent general cleaner

**OPTA3 6 x 1 Litres**

## Glass Cleaner

- Ready to use formulation
- Suitable for mirrored surfaces, leaving a streak free finish
- For best results use sparingly with a lint free cloth

**OPTA10 6 x 1 Litres**

## Furniture Polish

- Ready to use formulation
- Anti-Static polish suitable for a wide variety of surfaces
- Leaves a pleasant fragrance

**OPTA7 6 x 1 litres**

## Odour Neutraliser With Fragrance RTU

- Ready to use formula
- Odour neutraliser which removes malodours leaving a floral fragrance
- Contains odour encapsulation technology

**OPTA15 6 x 1 litres**

## Odour Neutraliser Fresh Linen Fragrance RTU

- Ready to use formula
- Odour neutraliser which removes malodours leaving a fresh fragrance
- Contains odour encapsulation technology

**OPTA25 6 x 1 litres**

# Floorcare

## Polish Stripper

- Concentrated formulation
- Fast acting formula
- Designed to quickly breakdown old polish on floors

**OPTF4** 2x5 litres

## Floor Polish

- Hard wearing, easy to apply floor polish
- Provides a scruff and slip resistant finish
- Protects floor surfaces, can be buffed to high shine finish

**OPTF5** 2x5 litres

## Floor Cleaner & Maintainer

- Dual action neutral cleaner and polish
- Protects and leaves a slip resistant finish
- For a gloss finish, buff with a high speed floor machine

**OPTF6** 2x5 litres

## Floor Cleaner

- Suitable for use in a scrubber dryer machine
- Suitable for mopping lightly soiled floors
- Low foam product on floors

**OPTF3** 2 x 5 litres

## Lemon Gel

- Cleans and deodorises all hard floor surfaces
- Leaves a pleasant long lasting fresh fragrance
- Concentrated formulation

**OPTF2** 2 x 5 litres

## Carpet Cleaner

- Cleans and refreshes carpets
- Suitable for use with extraction cleaning machines
- Concentrated formulation

**OPTF7** 2 x 5 litres

## Stain Remover

- Ready to use formulation
- Designed to remove stains from carpets and soft furnishings
- For best results use with white absorbent cloth

**OPTA18** 6 x 1 litres

## Chewing Gum Remover

- For the removal of gum, grease and glue residues
- Safe to use on a variety of surfaces
- Contains a fresh citrus fragrance

**AC0661** 12 x 1 litres

# Laundry

## Laundry Powder Non- Bio

- Powder detergent for washing at low temperatures
- Suitable for use in commercial and domestic machine
- Cost effective in-uses

**OPTL1 10kg**

## Laundry Powder Bio

- Powder detergent for washing at low to medium temperatures
- Suitable for use in commercial and domestic machines
- Cost effective in-use

**OPTL11 10kg**

## One Shot Laundry Liquid Detergent

- Excellent soil removal and suspension
- Effective at removing blood and protein
- Concentrated formula designed for automatic dispensing

**OPTL7 10kg**

## Care Laundry Liquid Detergent

- Designed for use in commercial washing machines through an automatic doser
- Ideal for use in hospitality and care environments
- Concentrated formulation designed for automatic dispensing

**OPTL18 10 litres**

## Laundry Liquid Detergent

- Heavy duty detergent with excellent soil removal and suspension
- Effective at removing blood and protein
- Concentrated formulation designed for automatic dispensing

**OPTL3 10 litres**

## Laundry Boost Liquid

- Additive designed to improve the overall cleaning performance of heavy soils
- Concentrated formulation designed for automatic dispensing

**OPTL4 10 litres**

## Premium Fabric Conditioner

- Fragranced fabric softener
- Reduces static to make ironing easier
- Concentrated formulation designed for automatic dispensing

**OPTL13 10 litres**

## Care Fabric Conditioner

- Fragranced fabric softener
- Reduces static to make ironing easier
- Concentrated formula designed for automatic dispensing

**OPTL19 10 litres**

## Laundry Liquid Destain

- Chlorine free bleach additive
- Based on 17.5% Hydrogen Peroxide
- Concentrated formulation designed for automatic dispensing

**OPTL5 10 litres**

## Laundry Emulsifier Liquid

- Additive to aid removal of tenacious stains
